Privacy Act Statement

The Richard B. Russel National School Lunch Act (NSLA) requires the information on this application. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced-price meals. You must include the last four digits of the SSN of the adult household member who signs the application. The last four digits of the SSN are not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP, or CalFresh), Temporary Assistance for Needy Families (TANF, or CalWORKs) Program, or FDPIR case number for the participant or other (FDPIR) identifier or when you indicate that the adult household member signing the application does not have an SSN. We will use your information to determine if the participant is eligible for free or reduced-price meals, and for the administration and enforcement of the program.

The last four digits of the SSN may be used to identify the household member in verifying the correctness of the information stated on the form. This may include program reviews, audits and investigations, and may include contacting employers to determine income, contacting a CalFresh, CalWORKs, or FDPIR office to determine current certification for CalFresh, CalWORKs, or FDPIR benefits, contacting the state employment security office to determine the amount of benefits received, and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.

The last four digits of the SSN may also be disclosed to programs as authorized under the NSLA and the Child Nutrition Act, the Comptroller General of the United States, and law enforcement officials for the purpose of investigating violations of certain federal, state, and local education, and health and nutrition programs.
